BUTTERMILK

treat yourself better

Coming soon!

(we're sorry for the wait)

We've worked really hard to create an entirely new production line here in Cornwall, to bring these incredible, unique treats to you. They are due to be ready for dispatch w/c 21st June. We're sorry for any inconvenience caused by the delay but we promise you, they will be worth the wait!

No nasties. No waste. No excuses not to share!
