

Chief Pitmaster Adam grew up in Perth, Australia surrounded by family, food and fun times. Almost every event had some sort of BBQ food as part of the celebration. From an early age Adam was exposed to a variety of cooking techniques. Many of his family members took pride in teaching him their own special talents. As a company, The Aussie Smoker Ltd proudly utilises these tried and tested family recipes.

Non-alcoholic Cornish Spirit

Pentire started with a deep love and appreciation for nature and the outdoors. Creating a non-alcoholic spirit which captures the beauty, power and immense flavour of plants and enables clarity of mind and meaningful experiences outdoors, is what drives the team lead by founder Alastair Frost (Frosty)! The latest addition to the brand is invigorating and replenishing 'Seaward'. It's bright and zesty grapefruit citrus top notes blended with refreshing green natural tones from the Pentire Plant Blend layered with natural berry from harvested sea buckthorn and wild seaweed.
